No Recorded crimes

WYDDIAL

No Recorded crimes

Other news and updates:

As per our new policing priorities for the first quarter, the team have been patrolling identified hotspot areas for hare coursing and poaching, and started 2025 conducting speeding checks in Baldock Street, Hare Street Road and the A10.

Due to an increase in crimes across the area, there has been an increase in demand on the East Herts Rural Team to progress and investigate an increase in crime reports and assist neighbouring Neighbourhood Policing Teams.

Our patrols strategy has remained constant throughout these times where resources allow.

If you need to report a crime in progress, please call 999, for all others please use 101 or online reporting <https://www.herts.police.uk/ro/report/ocr/af/how-to-report-a-crime/>

The Herts Connected system delivers Hertfordshire police's crime alerts. Registered local residents can receive the latest crime or emergency updates and alerts, as well as information about policing events in your area. Local residents can get involved in helping to make their local area a safer place, tell us what police should be doing in their area, shape the initiatives that help to keep people and property safe, and tell us what matters are causing local communities harm.

The more residents that register, the better informed and safer our communities will be. We would be most grateful if you could continue to share the link below in any parish communications, and especially on social media, to encourage as many local residents as possible to sign up.
